BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work shown in the Base Bid Schedule. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for the item, the unit price shall prevail; provided, however, if the amount set forth as a unit price is ambiguous, unintelligible or uncertain for any cause, or is omitted, or in the case of unit basis items, is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the item shall prevail in accordance with the following:

1. As to lump sum items, the amount set forth in the "Total" column shall be the unit price.
2. As to unit basis items, the amount set forth in the "Total" column shall be divided by the estimated quantity for the item, and the price thus obtained shall be the unit price.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the **base bid** as determined by the Owner, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Contract unit prices/lump sum bid by the lowest responsive and responsible bidder shall be locked in for the duration of the contract, and the Owner has the right to award additional Additive Alternates at the unit prices bid, if additional funding becomes available.

Award of the Contract, if awarded, will be made to the lowest responsible bidder within forty-five (45) calendar days from the date specified for the opening of bids; within sixty (60) calendar days to the second lowest responsible bidder if the first does not execute the Contract; and within seventy-five (75) calendar days to the third lowest responsible bidder if neither the first nor the second bidder executes the Contract.

ADDENDUM No. 01 *RS*
COUNTY OF SAN DIEGO – REQUEST FOR BID (RFB) 7519
CLEMMENS LANE SHADE STRUCTURE

Addendum No. 01 forms a part of the contract documents and changes the original documents only in the manner and to the extent stated.

QUESTIONS AND ANSWERS:

Q1. Is the County willing to accept bids from a B license contractor in connection to this project?

A1. A 'B' license will be acceptable for this shade structure project as it is building a 'shelter' per the 'B' license classification. The 'B' license will need to sub out the remaining components that do not pertain to the shade structure itself such as drainage upgrades/repairs.

Q2. Our main questions surround our submittal as an "Or Equal product. The contract documents state that in order to be considered as an equal product that we are to submit three copies of the required forms to the Project Manager/Engineer. To whom would we make this submittal? To which address do we make this submittal? Even though the contract documents state they would like three sets of hard copies I have found that recently we are having agencies request this information from us electronically. Would like indeed like hard copies or would an electronic submittal be preferable?

A2. Submit product substitutions and "or approved equal" requests electronically to Jaclyn.Smith@sdcountry.ca.gov at a minimum 15 days prior to bid opening.

Replace SUBSTITUTION OR "OR APPROVED EQUAL" REQUEST FORM ATTACHEMENT in Part V with "Addendum 1_substitution_or_or approved equal_request_form"

CLARIFICATION:

1. Add to plans, sheet 2- Construction Plan: the elevations/heights of attachment of the proposed shade sails to the shade sail posts. See attached plan.

(Note that the height is measured from the proposed finish surface of the existing wood chip play surface. Provide a minimum clearance of 7' from the top of the existing play equipment to the bottom of the proposed shade sails.)

ATTACHMENTS:

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work shown in the Base Bid Schedule. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for the item, the unit price shall prevail; provided, however, if the amount set forth as a unit price is ambiguous, unintelligible or uncertain for any cause, or is omitted, or in the case of unit basis items, is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the item shall prevail in accordance with the following:

1. As to lump sum items, the amount set forth in the "Total" column shall be the unit price.
2. As to unit basis items, the amount set forth in the "Total" column shall be divided by the estimated quantity for the item, and the price thus obtained shall be the unit price.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the **base bid** as determined by the Owner, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Contract unit prices/lump sum bid by the lowest responsive and responsible bidder shall be locked in for the duration of the contract, and the Owner has the right to award additional Additive Alternates at the unit prices bid, if additional funding becomes available.

Award of the Contract, if awarded, will be made to the lowest responsible bidder within forty-five (45) calendar days from the date specified for the opening of bids; within sixty (60) calendar days to the second lowest responsible bidder if the first does not execute the Contract; and within seventy-five (75) calendar days to the third lowest responsible bidder if neither the first nor the second bidder executes the Contract.

ADDENDUM No. 01 COUNTY OF SAN DIEGO – REQUEST FOR BID (RFB) 7519 CLEMMENS LANE SHADE STRUCTURE

Addendum No. 01 forms a part of the contract documents and changes the original documents only in the manner and to the extent stated.

QUESTIONS AND ANSWERS:

Q1. Is the County willing to accept bids from a B license contractor in connection to this project?

A1. A 'B' license will be acceptable for this shade structure project as it is building a 'shelter' per the 'B' license classification. The 'B' license will need to sub out the remaining components that do not pertain to the shade structure itself such as drainage upgrades/repairs.

Q2. Our main questions surround our submittal as an "Or Equal product. The contract documents state that in order to be considered as an equal product that we are to submit three copies of the required forms to the Project Manager/Engineer. To whom would we make this submittal? To which address do we make this submittal? Even though the contract documents state they would like three sets of hard copies I have found that recently we are having agencies request this information from us electronically. Would like indeed like hard copies or would an electronic submittal be preferable?

A2. Submit product substitutions and "or approved equal" requests electronically to Jaclyn.Smith@sdcountry.ca.gov at a minimum 15 days prior to bid opening.

Replace SUBSTITUTION OR "OR APPROVED EQUAL" REQUEST FORM ATTACHEMENT in Part V with "Addendum 1_substitution_or_or approved equal_request_form"

CLARIFICATION:

1. Add to plans, sheet 2- Construction Plan: the elevations/heights of attachment of the proposed shade sails to the shade sail posts. See attached plan.

(Note that the height is measured from the proposed finish surface of the existing wood chip play surface. Provide a minimum clearance of 7' from the top of the existing play equipment to the bottom of the proposed shade sails.)

BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work shown in the Base Bid Schedule. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for the item, the unit price shall prevail; provided, however, if the amount set forth as a unit price is ambiguous, unintelligible or uncertain for any cause, or is omitted, or in the case of unit basis items, is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the item shall prevail in accordance with the following:

1. As to lump sum items, the amount set forth in the "Total" column shall be the unit price.
2. As to unit basis items, the amount set forth in the "Total" column shall be divided by the estimated quantity for the item, and the price thus obtained shall be the unit price.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the **base bid** as determined by the Owner, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Contract unit prices/lump sum bid by the lowest responsive and responsible bidder shall be locked in for the duration of the contract, and the Owner has the right to award additional Additive Alternates at the unit prices bid, if additional funding becomes available.

Award of the Contract, if awarded, will be made to the lowest responsible bidder within forty-five (45) calendar days from the date specified for the opening of bids; within sixty (60) calendar days to the second lowest responsible bidder if the first does not execute the Contract; and within seventy-five (75) calendar days to the third lowest responsible bidder if neither the first nor the second bidder executes the Contract.

BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work shown in the Base Bid Schedule. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for the item, the unit price shall prevail; provided, however, if the amount set forth as a unit price is ambiguous, unintelligible or uncertain for any cause, or is omitted, or in the case of unit basis items, is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the item shall prevail in accordance with the following:

1. As to lump sum items, the amount set forth in the "Total" column shall be the unit price.
2. As to unit basis items, the amount set forth in the "Total" column shall be divided by the estimated quantity for the item, and the price thus obtained shall be the unit price.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the **base bid** as determined by the Owner, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected.

Contract unit prices/lump sum bid by the lowest responsive and responsible bidder shall be locked in for the duration of the contract, and the Owner has the right to award additional Additive Alternates at the unit prices bid, if additional funding becomes available.
